USED BACKPACK Collection for the Homeless

Now that school is out and kids do not need their backpacks for summer, we are hoping you want an alternative to throwing them in the trash. (Cause everyone needs a new backpack to start school)

Homeless desperately need backpacks. All backpacks collected will be delivered to Uptown Faith Community for distribution to the homeless clients that use the Uptown services.

Backpacks can be dropped off to Maxine Lynch, La Mesa Police Department 8075 University Ave. La Mesa, CA 91942
